**HOW TO GET THE
BEST FROM YOUR
ESSENTIALS VALUE PACK.**

Here's some handy information
to maximise usage of your
essentials products.

POP/IT

CERAMIC SEALANT

POP/IT is a spray on/wipe off ceramic sealant that's designed to complement and enhance My Van Care Exterior Cladding Coating.

It provides several benefits, including:

PROTECTION FROM UV AND ENVIRONMENTAL FACTORS

POP/IT forms a protective layer on your RV's external cladding that helps protect against the harmful effects of UV rays plus repels water, dust, dirt, and other contaminants leaving a long-lasting shine.

EASY MAINTENANCE

POP/IT makes it easier to maintain your RV's finish by making it less prone to staining, scratching, and similar blemishes. This means you'll spend less time and money on cleaning and maintenance. Overall, using a ceramic sealant on your RV can help to protect and enhance its appearance, while also making it easier to maintain.

Directions for use be found on the bottle label.

To avoid scratching your RV's surface, us the BUFF/IT cloth in this pack.

MY VAN CARE ESSENTIALS PACK

WASH/IT

SHAMPOO

WASH/IT Shampoo is a specially formulated to compliment RV's that have been treated with professionally applied My Van Care Exterior Cladding Coatings.

WASH/IT Shampoo provides a highly repellent finish. It's pH neutral formulation means it won't strip the permanent protective surface coating.

It's gentle on paintwork and cladding whilst still removing all dirt and grime from the surface. Comes in a delicious coconut scent in a 250mL bottle.

Directions for use can be found on the bottle label, it's ready to use, simply just follow the steps to get the most out of this highly concentrated and ultra-hydrophobic product. Use a use a high quality chamois to prevent water spots and achieve a streak-free shine.

SPLAT

ON THE GO WIPES

You'll find 5 SPLAT sachets in your My Van Care Essentials Pack. That's 5 wipes to 'wipe-away' bird poo and tree sap from your RV's exterior cladding.

SPLAT works effectively to remove bird and bat droppings, tree sap, or bug splatter before it becomes corrosive and burns a spot in your RV's exterior cladding.

These excrements should be removed as soon as possible with SPLAT to help protect your RV's exterior cladding from rapid deterioration and unsightly blemishes.

Directions for use can be found on each sachet, simply follow the steps to get the best results.

SPRITZ/IT

INTERIOR MULTI-PURPOSE CLEANER

SPRITZ/IT can be used on most interior surfaces to wipe away messy food and drink spills, given surfaces some extra sparkle.

You simply mist onto a microfibre cloth, wipe cloth over dirty interior surfaces and the spills will naturally flash off surface leaving a sparkly clean finish. You'll find an application cloth in your My Van Care Essentials Pack.

SPRITZ/IT can also be used for carpet stain removal. Simply spray directly on soiled area and allow to sit briefly to penetrate and dissolve staining. Agitate with microfibre cloth and allow to dry naturally.

Directions for use can be found on the bottle label, it's ready to use, simply follow the steps to get the most out of SPRITZ/IT.
