INCREASED
VISIBILITY WITH
GLASS COATING

WHERE CLARITY MEETS EXTREME DURABILITY.

Formulated to improve clarity and visibility through the front windscreen.

WINDSCREEN COATING

5-YEAR WINDSCREEN REPAIR OR REPLACEMENT WARRANTY*

PROTECTIVE WHEEL COATING

CERAMIC WHEEL PROTECTION

A scientific high-performance formula combining Silicon Carbide (SiC) and Silicon Dioxide (SiO₂), delivers extreme durability, helping to lock in a factory finish.

TYRE COATING

Using advanced polymer technology it adds a durable deep satin finish, enabling simple cleaning with soapy water. It's also silicon-free and helps to protect against damaging UV.

*Warranty terms & conditions apply.
